PROFESSIONAL SUMMARY

Freelance event & studio photographer with more than a year's experience, and 3 years as a hobbyist. I am seeking for a full-time position as a Photographer inside a company that would offer a fantastic opportunity to develop professionally. I have experience in Studio Shoots, Fashion Shows, and Weddings. I've also a broad range of artistic photography, through Abstract, Photojournalism, Macro and even HDR.

Passionate & Creative Photographer. Expertise in Adobe Photoshop editing, image manipulation and restoration. Excellent knowledge in defining themes and the general concept of photography, and graphic design.

Self motivated, innovative, focused, adapts quickly to new solutions and techniques and works well under pressure. Able to meet challenging & critical deadlines. Works well with other individuals and as a team.
